SCHOOL ADDITIONS ON SCHEDULE; SPRINGHILL LAKE EXPANDING

by Joan Okin

Sounds of hammering, digging, and sawing are mingling with reading, writing, and arithmetic at Greenbelt's two elementary schools this year. As additional space was needed at the Center and North End Schools, construction began last fall and is expected to be completed for the opening of both schools in September, 1968.

At Center School, the building is coming along very well, according to Principal Robert Ellis. Most of the new building is under roof, and in the classroom area the walls are being finished and rough electrical work has been done. This L-shaped wing will house four primary rooms, two kindergarten rooms, two special education rooms, a faculty room, and a library with several workrooms. In order to enlarge the cafeteria, the old wall was knocked down during the recent school vacation, and new walls are already going up. A new kitchen wall will also be added. During the next week, work will begin on new offices, necessitating the removal of the present offices downstairs temporarily.

At the North End School, whose principal is Mrs. Helen N. Poland, work is also progressing well. Several normal school routines have been changed because of the construction, however. As there is no adequate play area now, arrangements have been made so that fewer children go outside at one time. The students must also eat in their classrooms, and they have missed having assemblies and other group activities. These disruptions will be forgotten next year, when a corridor links the new addition to the school. Five classrooms will have been added, along with a new kitchen, health, pupil personnel, special education, conference, and multi-purpose rooms, cafeteria, and offices. The former multi-purpose room will have been converted into a library suite.

The construction work at Center School is being done by the Robert L. Kearney Construction Company and at the North End by the Wraithall and Ovalle Corporation.

G.C.S. Annual Dinner Tuesday at Firehouse

The Annual Meeting of the Greenbelt Delegation of G.C.S. will be held next Tuesday evening at the Firehouse. The dinner will commence at 7 p.m., followed at 8 o'clock by the meeting which annually gives members an opportunity to personally review the account of stewardship on the part of management and lay leaders. Of special interest to Greenbelt will be the feature speaker of the evening, Sen. Joseph Tydings. In this "year of the Consumer" we are indeed fortunate to have such a notable guest, and those planning to attend should secure dinner tickets while they are available (at the Supermarket, Pharmacy, Service Station as well as Twin Pines and the Credit Union.) Those unable to attend the dinner are naturally invited to join the meeting at 8 p.m. The nominal charge of \$1 for the dinner, combined with the quality of the invited speaker, provides a hard-to-resist attraction.

JCC TO ELECT OFFICERS

The Mishkan Torah (Jewish Community Center) will hold a meeting on Sunday, April 28, at 7:30 p.m. An election of officers will take place. The agenda also includes a request for additional funds by the planning committee for preparations for new classroom building.

by Elaine Skolnik

Bids are now being received for the construction of an addition to the Springhill Lake Elementary School. The plans and specifications, drawn up by Architects Cohen Haft & Associates of Silver Spring, include seven grade classrooms, two special education rooms, one kindergarten, and a room to be used for special activities and storage. The addition is expected to be completed by the end of 1968.

The school, which has a pupil capacity of 490, presently has an enrollment of approximately 550. Two portable school houses are installed on the grounds.

According to Miss Arlene Roberts, acting principal, the anticipated enrollment for next fall will total approximately 628. Miss Roberts reported that Mrs. Ethel Golden is progressing nicely after an illness of several months.

Erroneous Report

An erroneous report in the Washington papers stated that a girl was abducted near her home in Greenbelt. Actually the girl's home is in another part of the county and the abduction and attack did not take place in Greenbelt.

"Clyde, are you sure we shouldn't go to the hideout with Bonnie instead of going to the News Review Ball?"

Bagpipers to Highlight St. George's Day Fete

The United States Air Force Bagpipers will lead off this year's annual St. George's Day Observance at the Upper Marlboro Fairgrounds, Friday, April 26, celebrating the founding of Prince Georges County in 1696.

Ceremonies will be highlighted by the hoisting of the County colors, which were granted by the Maryland Colonial Assembly in 1695, to Prince Georges as the banner for their "foot and horse soldiers." Prince Georges County is one of the few local jurisdictions to be so honored.

The Fairgrounds will open at 6 p.m., with hot dogs and soft drinks available and pre-parade entertainment continuous until parade time at 7:30 p.m.

The mammoth fireworks display will conclude the celebration at approximately 9 p.m.

Stop Smoking Plan

The next Five-Day Plan to Stop Smoking sponsored by the Washington Sanitarium and Hospital, Takoma Park, begins April 28 and lasts through May 2. It will be held in the assembly room of the Washington Sanitarium and Hospital, 7600 Carroll Avenue, Takoma Park. Reservations and further information may be obtained by calling 587-4909.

Prince Georges Group To Support McCarthy

A committee was formed in Prince Georges County Sunday to boost the presidential candidacy of Senator Eugene McCarthy. Elbert Byrd, of Riverdale, a University of Maryland professor who was a Democratic candidate for Congress two years ago, is chairman of the McCarthy for President Committee. About fifty persons attended the organizational meeting at St. Christopher's Church, as plans were made to hold fund raising events. A spokesman said the committee has a fifteen hundred student representation at the University of Maryland, Bowie and Prince Georges Community College. Anyone interested in joining call 345-2291. A canvass of Springhill Lake by more than 200 volunteers will be held on Sat., April 27.

Festival of Music Concert

The annual Festival of Music featuring the Prince Georges County Orchestra and Chorus, originally scheduled for April 5, has been rescheduled for Wednesday, May 1, and will be presented in the auditorium of Northwestern Senior High School, beginning at 8:15 p.m.

Mrs. Frances H. Lynch, Supervisor of Music, advises that students from 14 senior high schools form the 77-piece symphony orchestra and the chorus of 380 voices. The public is cordially invited to attend the program.

Council Queried on Controls For Lake Park Facilities

by Elaine Skolnik

At the April 16 meeting of city council, Hugh Jascourt, chairman of the Parks and Recreation Advisory Board raised the question of the increasingly crowded conditions at the Lake Park. There were times last year, he said, when Greenbelters were unable to use the park facilities because of the preponderance of out-of-towners. Under the present group picnic permit regulations, there is no provision for table reservations. Jascourt requested that Council take action on PRAB's recommendations to establish a workable permit system with priority for Greenbelters and to station a police officer at the lake to enforce the system.

City Manager James K. Giese agreed that the present procedure for group picnics is not a satisfactory one but did not recommend a change in the system until the overall development plans for the Lake Park are completed. The solution he envisioned was to develop a special group picnic facility in the park, which would be available on a fee basis.

Council shared PRAB's concerns about the lake-park area and requested that the city manager examine the permit system and related problems. Councilman Francis White pointed out that the lake was a city-tax supported recreation area, and as such the city tries to guarantee its use to the residents of the city.

The discussion about picnics and permits led to another subject—beer. City regulations allow beer drinking at the Lake Park only with group picnic permits in conjunction with a meal. Councilman William Hoff was disturbed about this provision, which produced a

"double standard" and led to misunderstanding.

To help alleviate confusion about the rules, White recommended that the city install signs at the lake spelling out regulations to be followed by those using the lake-park facilities.

Community Church Backs Poor People's Campaign

The Greenbelt Community Church at its annual meeting on April 21 gave its endorsement to the Poor People's Campaign to be conducted in Washington, D.C., this spring by the Southern Christian Leadership Conference. The statement adopted by the church membership describes the Poor People's Campaign as "fully within the historic tradition of Christian concern for human welfare." It also points out that the campaign is intended to "manifest in the face of chaos and violence in our cities the continued effectiveness of non-violent tactics, and to do this especially in the spirit of and as a memorial to, the late Rev. Dr. Martin Luther King, Jr." Members of Greenbelt Community Church and residents of the community were urged in the statement to support the campaign in the way most effective for each.

At the same time the church called for the passage of federal legislation to implement the recommendations of the Report of the National Advisory Commission on Civil Disorders, and to provide effective gun control. It also endorsed the civil rights legislation recently enacted by Congress and signed into law by President Johnson.

Boxwood Civic Group Meet

There will be a general meeting of the Boxwood Civic Association at the American Legion Hall, May 1st, Wednesday, 8:30 p.m. Refreshments will be served.

GARDEN CLUB

The Garden Club of Greenbelt will meet on Tuesday, April 30, at 8 p.m. at GHI headquarters on Hamilton Place. Dr. Robert K. Howell of the Beltsville Agricultural Research Center will give some suggestions on the use of garden sprays and pesticides and will answer questions. Membership cards may be obtained at this meeting.

..... City Notes

Despite rumors to the contrary, city officials do not expect the swimming pool to open for the season before the customary Memorial Day. In anticipation of that event, the life guards have been cleaning out the pool. No major repairs are expected this year, although gas service to provide hot water for showers is still being installed. Possibly one or two sections of concrete deck, which have settled, may be replaced. The problems with the pump, which forced the closing of the pool several times last summer, seem to have been rectified, and the diving boards also seem in good condition as the season nears.

Last week, however, a 6-inch water valve at the swimming pool needed repair. Unfortunately, during the two days that were required for this work, the Youth Center was without water. In addition, Pepco was doing electrical work in the Center area at the same time, which cut off electricity for short periods in both the Youth Center and the Municipal Building. These problems were particularly

distressing at the Youth Center because the recreational program was intensified during the holiday week.

* * *

Last week the Public Works Dept. fixed the road shoulder area and installed posts on the east side of Westway, alongside the Jewish Community Center, to prohibit parking. The Parks Crew prepared more areas for seeding of grass behind new curbing. They also planted flowers in the Center. The trash collection crew, although still short-handed, managed to catch up with their regular schedule by the end of the week. They are also currently operating the leaf vacuum on a three-day week schedule.

Registration forms for boats are not yet available, leading to delay in enforcement of the new ordinance concerning operation of boats.

MISHKAN TORAH BINGO

The Sisterhood of Mishkan Torah will sponsor a Bingo Night at the Jewish Community Center Building, Ridge and Westway Roads, on Saturday, April 27, at 8:15 p.m.

Jog Along Saturday

A one and one-half mile Jog Along in a group at your own pace will be held Saturday, April 27, at 10:30 a.m. at the peninsula at the lake in Greenbelt Park. This event is sponsored by the Greenbelt Jaycees to promote physical fitness.

Ten Greenbelters were among the 52 people who jogged or ran in a 2-mile Run For Your Life race or a 5-mile handicap race in Greenbelt Regional Park on Sunday, April 21. Noteworthy performances were by Mark Siegel (8 yrs.), 43 min. 9 sec. and Larry Noel (17), 30 min 28 secs. in the 5-mile run.

The Greenbaum brothers, Martin and Milton, on Ridge Road completed the Boston Marathon (over 26 miles) last week with Martin completing the course in just over 3 hours, making him the 5th fastest runner from the metropolitan Washington area.

Junior Highlights

by Anne Gallagher

On April 25th, the Greenbelt student body will present its annual Gymkana show. It has been more or less a tradition for the students of Greenbelt Jr. High to display their gymnastic skill in the form of a program for the P.T.A. The show will include balance beam, trampoline, tumbling, and for the first time, the uneven parallel bars. Both the wrestling and basketball teams have a part in this year's program that promises to add a new trend to the usual program. The public is invited to attend the 8 p.m. meeting.

For the second time in four years, Greenbelt Junior's newspaper, the *Bear News*, has captured 1st place at the Columbia Press Conference. Of the 1000 points possible, 850 were awarded to the paper and its staff.

Something new has been added to GJHS's court yard. In honor of Arbor Day, Mr. Furgang selected an Almey crab tree which was planted in the center court by the boys in Hi-Y.

Seventh grade students will have an opportunity to tour Philadelphia again this year. Originally set for the 6th, the trip is rescheduled for this Saturday. Students should be at the school by 7:15 a.m. and be picked up between 9:15 and 9:30 p.m.

Nursery School Applications

Applications are now being accepted for the Mishkan Torah Nursery School, September, 1968, for 3 and 4 year olds. For information and application, call 776-5545 or 474-1480.

FIRE PREVENTION
TIP FOR APRIL

The majority of fires can be traced to human carelessness or neglect. To prevent fire loss, people must achieve understanding and the habit of being careful. Fires may be stopped if we study their causes, then do something about detecting and removing hazards.

Be your own home inspector. It is much easier to prevent a fire than to fight one. Through inspections, fire safety rules can be put to practical use.

Now is the time to discard old clothing, newspapers, old furniture and junk from your basement, attic, or utility room. Clean up your work-shop and garage. Whatever you store, store safely. Keep burnable things away from sources of heat.

When the job is done, set all trash on the curb, or close where it can be picked up by special trash collections. A phone call to your Greenbelt City Office - 474-8000, or the local Police Station number after the city office is closed, 474-5454, will insure you of trash collection and disposal of discarded articles in a very short time.

P. G. Community College

Music will be provided by the Ceremonial Detachment of the United States Army Field Band, Antonio Sallatti Conducting, the Prince Georges Community College Chorus, Peter B. Miraglia Directing, and by the college's Brass Choir.

The Rev. W. Curtis Draper of Trinity Episcopal Church, Upper Marlboro, will deliver the invocation and Father Michael J. Arrow-smith of St. Joseph's Catholic Church, Landover, will deliver the benediction.

Dedication Concert

Beethoven's "Consecration of the House," Op. 124, will be the opening selection in a special concert honoring the dedication of the new campus of Prince Georges Community College Wednesday, May 1. The concert will be presented at 8:15 in the Auditorium-Fine Arts Building of the college.

The orchestra, under the direction of Lloyd P. Farrar, will feature David M. Seager, piano soloist, in Beethoven's "Concerto in C minor," No. 3, Op. 37, and Mrs. Rosemary Waterworth, soprano soloist, in Mercure's "Cantata for a Joy."

Joining with the orchestra for a series of seven selections will be the Prince Georges County Choral Society under the direction of Richard G. Penney. They will present "Ave Verum Corpus," Mozart; "Chester," Billings; "Hungarian Folk Songs," Seiber; "Wondrous Cool," and other selections.

NEW, NEW, NEW 3 BR, 2 baths with a HUGE rec. room. Nutone system throughout and wired for panel phone. Priced in the mid-twenties.
